Facilities to social organizations Website facility

1) Dynamic website with sub domain will always be provided free to any organization at taluka level, District level, State level.

2) If you require your independent domain then just pay 3000 /- for independent domain & hosting.

3) To Generate revenue you can put ads on left hand side of the webpages. You can add any no of 'ads' on left side. That will change at every 10 sec. This method is good to create revenue for the society/ organization express. you can change weakly, monthly, yearly for the 'ad'

Mobile Networking Facilities

4) Its very easy to connect all members through india of your organization by asking all of them just to send one SMS in the given format.

5) You can send common message to all nationwise, state wise, district wise, taluka wise or as per the group you define at your own.

6) Any updates, changes done by the member in his profile, address, mobile no, etc will automatically be reflected in your group activity. You have not to do changes personally in the members data.

7) You can get feedback from every member just by SMS

8) Every member will receive no. of personal benefits in addition to your organizational benefits.
